RULES

FOOTBALL RULES:

7-a-side game with rolling substitutes and squads are made up of up to 10 players.

Games can be either played one way or made up of two halves and time will be dependent on the number of teams entered.

- Usual football rules apply except that there is no offside.
- When the goalkeeper has the ball for a goal kick (played from the ground) opponents must retreat to their own half until the ball is in play. The goalkeeper does not have to wait for the opposition to retreat and has the option to restart the game before should they choose to.
- The opposition do not have to retreat to their own half when the goalkeeper has the ball in their arms.
- The ball is in play when it is kicked or thrown directly out of the penalty area.
- If a player intentionally passes back to their own goalkeeper with their feet, the ball may not be played with the hands, but can be played with the feet. (Default - indirect free kick from edge of the penalty area nearest to the offence).
- Players must wear suitable footwear (grass or 3G) and shin pads must be worn by all players.
