EVENT TYPE	Training Session
EVENT FORMAT	EVENT FORMAT: The session will mainly be practical with some theory so please ensure suitable clothing and footwear. Leaders will rotate around different active workshops led by RESSP Staff, to develop their skills to deliver Traditional Playground Games to younger children. This will include games with hula hoops, beanbags, and balls. They will cover skills on how to set up equipment and activity, encourage and motivate the children and gain lots of ideas on different activities to deliver. TEAM / GROUP INFORMATION: • Schools can bring a maximum of 20 leaders and should be accompanied by the member of staff who will be leading and coordinating the leaders in school if possible.
VENUE INFO	This event will take place indoors within a busy sportshall so may be noisy, as activities will be set up across the whole of the space. School groups will stay together as you rotate around the activities. Toilets will be open - please bring adequate staffing to support your school group and supervise toilet trips as the building will be open to the public.
EQUIPMENT	No equipment required. Due to limited space within the sportshall please keep belongings to a minimum where possible e.g. coats / water bottles.
WHAT'S NEW?	The practical skills and ideas taught within this training session will be reinforced through the sharing of resource packs to support the continuation of delivery in school.
