

TEAM TALK

Redcar & Eston School Sport Partnership CIC Newsletter

Welcome

Our 20th Year is coming to an end. Here's to another 10 years!

Thank you for another fun filled year. We hope your children have seen an impact from our collective work between us and you as partnership schools. Together we have created many positive experiences for your pupils that may have inspired them to be more active, take part in more sport or just enjoyed school a little bit more.

Thank you to everyone for signing back up to the partnership next year. Our plans are already in place for next year. A preview is in the newsletter but they will be sent out at the start of the year.

If anyone has any questions or needs support before we break up then please just get in touch.

That just leaves us with the chance to wish you all to have a brilliant well deserved rest and holiday.

Thank you for your continued support.
RESSP team.

20 Year Celebrations

Thank you to everyone that attended either the child led event or the adult led event. It was great to see so much informal play on the beach. The festival was designed around the 'Play Their Way' campaign. Letting children come up with their own ideas and rules. It was great to talk to so many staff that thought they could incorporate this into their own playground or even return visits to the beach.

PE Premium Funding

We are joining with colleagues from across the education sector in welcoming the continuation of the Primary PE and sport premium funding. We understand the significant and ongoing challenges around the public finances, and this marks an important recognition of the value of PE and our workforce in delivering the best for young people in a time where engagement in physical activity has stagnated and hours for teaching PE have been squeezed.

Funding remains at its current level, £320million for the academic year and will continue to be paid to all eligible schools. The funding will be paid in two tranches, one this Autumn, with the following payment be paid in Spring 2026.

Like many others, we are breathing a big sigh of relief at this news, this investment is absolutely vital to our profession and, more importantly to our ability to deliver for young people in every school.

We know renewed guidance for next academic year will follow shortly. We will make sure all subject leaders are aware of any changes in our first meeting next year.

DON'T FORGET before you leave for the summer!

- Your PE Action plan needs to be uploaded onto your website by 31st July 2025.
- You need to complete the Digital Reporting Tool by 5pm on 31st July 2025.

2025-26 Events Calendar

New look calendar for the 2025-26 calendar:

The calendar is nearly complete, we just have to confirm a couple of venues.

Schools will be sent a copy before we break up. Further details will then follow very early in the autumn term.

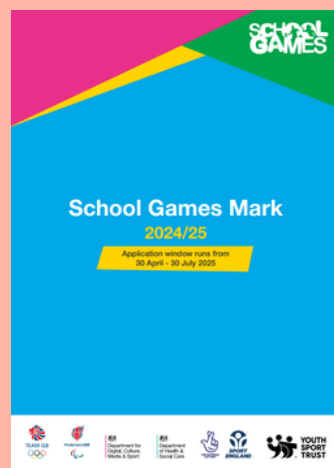

School Games Mark

The annual School Games Mark application window is open now until 30th July 2025. The new guidance can be found on the School Games Website: www.yourschoolgames.com

Don't miss out on your school's accreditation!

Congratulations to those schools that have already received SGM for this academic year:

- Bankfields Primary School - GOLD
- Caedmon Primary School - PLATINUM
- Ings Farm Primary School - PLATINUM
- John Emmerson Batty Primary School - GOLD
- Kirkleatham Hall School - GOLD
- Newcomen Primary School - GOLD
- Normanby Primary School - PLATINUM
- South Bank Primary School - GOLD
- Teesville Primary School - GOLD
- Whale Hill Primary School - GOLD

RESSP Impact Award Winners

This academic year we introduced the 'Impact Awards'. Encouraging our schools to apply to be recognised for the great work they are doing in their school. Also, encouraging sharing practice between partnership schools.

The winners are:

- Active Schools Category - **Zetland Primary**
- Extra Curricular Category - **South Bank Primary**
- Inclusion - **South Bank Primary**

We will be in touch with the winning schools regarding prizes. We will share the details about the winning projects early Autumn term with other schools.

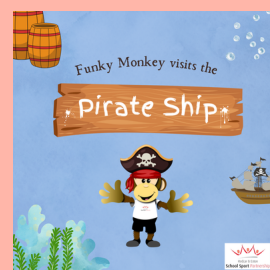

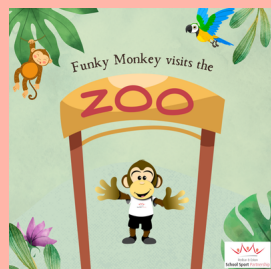

Early Years Resource

As most of you know we have been screening Reception children on the motor competence. Some of the results of this screening has really shocked us to the ability and inactivity levels of some children. This is some of the data (to date):

- 14 schools have completed the screening, 6 Redcar Schools, 7 Eston Schools and 1 Special School.
- 421 children in total, only 19 of these are motor competent (4.5%)
- 5 schools didn't have any group A children*, and this is a very small percentage in any school.
- Every schools highest group is C, children able to complete 11-15 of the skills
- The average % across the schools is 4% A, 33% B, 63% C

*Group A is the lower ability group.

As a result we have created a set of resources to help encourage children to be more active. Six books for teachers - **Funky Monkey Adventures**. They will be available in the autumn term.

Primary PE CPD

2025-26 Dates are out for your diary:
